

Undergraduate Course Auditing Policy

With the consent of the instructor, registered students and interested individuals are permitted to audit classes. Arrangements are made directly with the faculty member under any rules the faculty member may establish, and those auditing ordinarily do not participate in discussions, exams, or written papers. Priority for course resources such as classroom space and laboratory supplies is given to students who are fully enrolled in the course. Audited classes are not recorded on the student's class schedule or on academic transcripts.
