

GE Subcommittee Agenda
Thursday, August 13, 2015
1:00-2:00pm
KL 324

I. GE Subcommittee Leadership (1:00-1:15pm)

- A. Committee on Committees (CoC) updates (Interim Senate Director Paul)
- B. Proposal: Send memo to Undergraduate Council and CoC (w/PROC cc'ed) summarizing brief plan for the upcoming year and emphasizing how appointment of the GESC chair is of special priority.

Current nominations for GESC leadership:

- Tom Harmon (Professor, Environmental Engineering): former Associate Dean of ENGR
- Teenie Matlock (Associate Professor, Cognitive Science): undergraduate chair, former member of SSHA executive committee
- Erik Menke: former Chair of the SNS Executive Committee, former member of the Chemistry program review panel
- Jeff Yoshimi: undergraduate chair for Philosophy, former Core 100 planning committee member

II. Action Plan (Vice Provost and Dean Whitt) 1:15-1:25pm

Program review general timeline and concept of an action plan for GE.

III. Proposing a GE program (Dr. Martin) 1:25-1:45pm

Handouts will be distributed at the meeting.

IV. Retreat Projects (Chair Zanzucchi) 1:45-2:00pm

Proposed Action Items:

- A. Submit annual report to UGC (and PROC) describing GESC's activities and plans.
- B. Memo to 2015 retreat participants summarizing general plans for the year, with emphasis on role of projects and review options.
