**II. Consent Calendar**

- A. November 18 meeting minutes Pg. 1-3

**III. Campuswide Review Items**

- A. Revised GASP Major Proposal Pg. 4-36

A proposal to establish a Global Arts Studies major in SSHA was originally submitted in AY 14-15 and has now been revised in response to Senate committee comments. CAPRA endorsed the original proposal (memo is appended to this meeting packet) but raised two major points of concern: 1) whether the program meets the standards of academic rigor expected for a University of California B.A. program in the arts and (2) whether the program satisfactorily addresses how the per-student costs of offering these courses will be managed (with course fees or from other sources), and additional justification for two LPSOE lines.

**Action requested:** CAPRA to review the revised proposal and provide any comments to the Senate Chair by December 21.

**IV. Consultation with Provost/EVC Peterson**

- Campus incidents of November 4 and CAPRA's role (if any) in assisting in the development of future campus emergency plans
- Update on decision on the allocation of foundational FTE lines

- Resource implications for UCM for increased undergraduate enrollment over the next few years.
