Open Access 2020 is an international initiative that seeks to transform today's scholarly journals from subscription to open access publishing. The details of this initiative were discussed and agreed upon at the Berlin 12 Conference in December 2015 and are included in an Expression of Interest, which is appended to this meeting agenda. Also appended is the memo of August 2016 to UC Librarians from the UC Berkeley library providing an analysis of issues regarding signing the Expression of Interest.
