In June 2018, the California State Auditor (CSA) released an audit report entitled "The University of California Office of the President: It Must Take Steps to Address Issues With Its Response to Sexual Harassment Complaints." The report was accepted by President Napolitano, and the Board of Regents has directed the Academic Senate to implement the CSA recommendations by July 2019. The CSA report recommends that the Academic Senate revise its bylaws (i.e., SBL 336) concerning the Committee on Privilege and Tenure procedures for handling disciplinary cases as follows:

(a) A hearing should be required to begin no later than 60 calendar days after charges have been filed by the Chancellor, unless an extension is granted for good cause. The notion of `good cause' should be defined.

(b) A hearing committee should be required to deliver its report to the Chancellor no later than 30 calendar days after the conclusion of the hearing, and the phrase `conclusion of the hearing' should be precisely defined.
