- III. Upcoming Business

The Senate Office issued a Call for Nominations to faculty for the annual Senate awards. CoR is responsible for reviewing the nominations for the awards for Distinguished Early Career Research ( untenured) and Distinction in Research (tenured). Deadline for nominations to the Senate Office is March 22. Once nominations are received, and per the call for nominations, the committee analyst will propose the formation of two award subcommittees from the CoR membership to review the nominations in each category. The winners of all Senate awards will be announced at the Spring Meeting of the Division in May 2024.
