Division News

From the Senate Chair: With the end of the semester upon us, I welcome you to the penultimate newsletter of the academic year.

Consistent with the month of May, committee meetings are concluding for the year, and carry-forward lists have been started. The exception is the Committee on Academic Personnel, which will continue to meet into June. CAP's members provide critically important service to the faculty, campus, and system. I thank its [members](#), including those from sister campuses, for their commitment, which requires reviewing about 95 cases a year.

The Committee on Committees has worked diligently this spring to appoint the membership of next year's committees. As announced at the Meeting of the Division, Tom Hansford, a Professor of Political Science, has been appointed Senate Chair. A Vice Chair is pending. Appointments have also been finalized for nearly all committees, and it is a pleasure to report here by committee the Senate's leadership for the coming year. School affiliations are noted parenthetically.

- CAPRA Patti LiWang (SNS)
- UGC Jay Sharping (SNS)
- GC LeRoy Westerling (SoE)
- COR Michael Scheibner (SNS)
- CAP Nella Van Dyke (SSHA)
- FWAF Carolin Frank (SNS)
- D&E Asmeret Berhe (SNS)
- CRE Christopher Viney (SoE)

A big thank you to CoC for its work, and to the faculty who will be assuming these important roles on August 21st.

Finally, the Division's vote on the Memorial to the Regents on Fossil Fuel Divestment closed on Wednesday, May 1, at 5 p.m. The Memorial was approved with 101 votes in favor, 10 opposed, and 6 abstentions. The results have been reported to systemwide Senate Chair May. It is our understanding that, across the system, the Memorial has been approved by the number of Divisions required for it to be put to a vote of the Academic Senate systemwide. So please anticipate a second ballot on this topic at some future point.

In closing, I look forward to seeing many of you at graduation, as we celebrate this year's class of remarkable students! - Kurt Schnier
